

# Algebra Agenda

Algebra 2013

Date - week 5 & 6	Class Activity and Homework
Monday 1/14 Friday 1/18	Solving Word Problems with Linear Equations HW: None
Tuesday 1/15	Graphing Calculators HW: None
Wednesday 1/16	Point Slope Form of Linear Equations HW: Textbook pg 223, #2,12- 19
Thursday 1/17	Using 2 Points to write an Equation HW: Problems #1-5 below.
Monday 1/21	No School- Martin Luther King Jr. Day
Tuesday 1/22	Review HW: Textbook pg. 244, #24-42, evens
Wednesday 1/23	Standard Form of Linear Equations HW: Practice Quiz
Thursday 1/24	Graphic Organizers and Summaries HW: Review and study your Practice Quiz!
Friday 1/25	Week 6 Quiz HW: None

Homework for Thursday, 1/17: Using the two points given, 1) find slope, 2) write the Point-Slope form of the equation, and 3) simplify to Slope-Intercept form. Use separate paper.

1. (1,8), (-2,2)
2. (2,-3), (8,0)
3. (1,2), (4,-7)

4. (0,9), (4,9)
5. (0,2), (4,3)
